The Pentecostal Tabernacle of Calgary

This bright, cheery building, and the work carried on within its doors, is a testimony to the vision, sacrifice and persistent effort of its people, under God's own blessing and leadership.

Many lives have been blessed here through the years. Souls have been saved, the sick have been healed, and hungry hearts filled with the Holy Spirit: burdens have been lifted, and lives enriched with new courage, strength, and joy through receiving the fresh glorious Gospel of Jesus Christ preached here several times every week in the year.

The Glad Tidings Gospel Hour

ON September 28th, 1936, the "Glad Tidings Gospel Hour" came into being, carried out across the length and breadth of sunny Alberta, and neighbouring provinces and states, by the mighty 10,000 Watt radio energy of C F C N in Calgary.

Since that opening day, the program has gone out regularly every Sunday, through cold or heat, sunshine or shadow, and entered, without partiality, every home, hotel, cafe, hospital, garage, office, store or speeding automobile, where it was welcomed, and allowed to come in.

In this way, it is very much like the Gospel which is so earnestly proclaimed in music and song, message and story, in the broadcast every week. Our message is the good news of a Saviour for the "Whosoever Wills" everywhere; of a mighty Christ Who is able to save men and women of to-day. The cross of His sacrifice and cruel death declares His love to everyone of us; but—only to those who personally choose to let Him in, does He bring the inexpressible joy of a great salvation.

So you are invited to TUNE-IN and LET HIM COME IN.

The Tabernacle Orchestra . . .

The Tabernacle Orchestra, which is heard regularly in the **Glad Tidings Gospel Hour**, also in the Tabernacle services each Sunday. As a group of Christian musicians, their contribution to the program is greatly appreciated, as they give freely of their time and talent to the ministry of Gospel music.

The Tabernacle Choir . . .

The Tabernacle Choir and pianist, with Pastor and Mrs. Upton seated in the centre. This choir sings regularly in the services in the Tabernacle, and every second Sunday afternoon in the Glad Tidings Gospel Program. Every one of them has a testimony of God's redeeming grace, and none are paid for their services. Their reward is the joy of serving Him who saved them by His power, and for His eternal glory.

The Junior Choir . . .

The Junior Choir, under the direction of Mrs. Upton, forms an interesting feature of the Radio programs. So many letters tell us of blessing received through their singing. Their clear, young voices give inspiration to the beautiful hymns. The cares, vexations and reverses of life seem less under the power of sacred song.

A Personal Message

—from Pastor Geo. Upton

It has been a great joy to me to have a part in sending out the Word of Life over the air. Eternity alone will reveal the fruit of this ministry, and the unseen growth of faith in listening hearts from mountains, prairies and homesteads; from shut-ins, sick and aged. God bless them.

Dear radio friends, will you just breathe a prayer for us, that we may be enabled faithfully to carry on until He comes.

THIS WORK IS SUPPORTED ENTIRELY BY THE
VOLUNTARY OFFERINGS OF INTERESTED
